

SPRING IS COOL

March has rolled in like a frolicking lion, who likes to shred! The pow tap continues to trickle and supply the the low hanging fruit with fun resets (twice this week). The plucking has been juicy and the time for sunscreen has arrived.

There's sun and then a bit more snow in the forecast. Temps will spike on Thursday and then cool again for the weekend. When it's warm the trails turn in to mashed potatoes in a heart beat but grooming operations will do their best to keep up. Oh yeah, we've got a CONTEST with lots of cool prizes. Keep reading to find out more...

Trail Area Conditions Reports

Quartz Creek

Conditions: Powder. A nice reset over the week. Snow is really playful.

Grooms scheduled: Wed, Fri, Sat (if needed), Sun

Fees: \$25, \$5 discount if you can prove AST training

Parking: Trucks with decks park west of the kiosk, trailers use two lots on the east side.

Road: There's some crazy big frost whoops on the highway near Quartz - might want to slow down if you have a trailer.

Additional notes: Quartz has been really busy on Saturdays and people have had to park across the highway which is pretty sketchy. Maybe consider going to Gorman or Silent instead on Saturday? CO's were checking registrations on Wednesday.

Gorman Lake

Conditions: Powder. Some great snow. Gorman is filling in nicely. Lower trees were amazing on March 2.

Grooms scheduled: Wed, Sat.

Fees: \$25, \$5 discount if you can prove AST training

Parking: Both parking lots at 3.5 plowed.

Road: Road has been in good shape.

Additional notes: A lot of active log hauling in Gorman. The kiosk attendant can call up the road for you if you don't have a radio. RR 27 is the channel. Please yield to logging trucks. The Sea-Cabin will NOT be pulled in to Gorman this winter due to the limited size and our COVID regulations. We'll have it back in action next winter!

Silent Pass

Conditions: Deep

Grooms scheduled: Wed, Sat

Fees: \$25, \$5 discount if you can prove AST training

Parking: Please park ON THE ROAD (not in the turn around) at the 30 km, leave enough room for others to turn around.

Road: Call your KMs on your VHF radio! Channel RR-3.

Additional notes: The road in from the 27-30km is SINGLE LANE. Banks got pushed back by our grooming team on March 1. It's more important that ever to carry a radio and call your kms. Please don't clog up the mandatory turn around at the 30 km mark. Please keep that turn around area clear.

East Quartz

Conditions: Deep, wind scoured ridges

Fees: \$25, \$5 discount if you can prove AST training

Parking: At Quartz Creek parking (see above)

Road: n/a

Additional notes: WBT is not a continuous trail this year due to logging operations. Closed at Cirque Creek from Gorman. Closed at Oldman turnoff from Quartz. For both sides, it's a there-and-back trail. If you ride through the plowed road sections you could get up to a \$2500 fine as sledding on plowed roads is illegal.
