THANK YOU AND SUMMER WISHES

Is winter over? For many of us, the time has come to swing a club, twist a throttle, and of course, to save up to pay for next fall's snow check! SledGolden is still wrapping up grooming Ops by brining our equipment home and prepping it for next year. But before we go, we have a lot of thank you's to make. There's also a lot to do moving forward.

Thank YOU!

Lastly, thank you to our members and day users. It was a busy year in our zones but for the most part, things ran safely and smoothly. We hope you had a good season and look forward to seeing you again.

Help us Out this Summer!

Garbage Picking
We're on the look out for volunteers to help with our summer garbage pick up. It often involves a helicopter ride to beautiful places… Please reach out to snowmobile@snowmobilegolden.com if you're interested.
Donations
Have extra cash that you need a tax donation receipt for? Want to make a memorial contribution that others will timelessly enjoy? Just feel like supporting? We really need new grooming equipment and the Quartz cabin needs an overhaul.
Want to be an Ambassador for SledGolden?
We have a few spots to fill. You know what to do. snowmobile@snowmobilegolden.com
