

SOFT OPENING SATURDAY!

The snow is starting to accumulate up high, but down low it is still fairly dry. We aren't quite ready to groom the trails yet, as we need a bit more snow...but there's definitely some sledding to be done up high, with CAUTION! We are pleased to announce that we will be doing a "soft" opening this Saturday (and maybe Sunday) at Quartz! We will have Staff at the Quartz Kiosk, where you will be able to buy or pick up your memberships for the season. We will also be accepting any donations that you'd like to make towards our grooming expenses for the season. With the addition of our "new to us" groomer, any additional support is greatly appreciated and will be put towards getting it into tip-top shape!
