

GAME ON! SILENT PASS OPENS THIS WEEKEND!

After some wild early season conditions we're excited to announce that Silent Pass will be OPEN for riding starting this Friday, December 10th! Catch some fresh grooming action! With lots of riding ahead of us this season, it's not too late to pick up a membership for you or someone you love. Passes can be purchased online or at any one of our gates. [Click here to purchase and get to sledding that much faster!](#)

Trail Area Conditions Reports

Quartz Creek

Conditions: Excellent early season. Fresh snow, packed base, 180cm at the cabin.

Grooms scheduled: Friday, Sat, Sun - working on adding the upper cabin trails this weekend!

Fees: \$25

Parking: Parking at the 9k mine site area. Please do not park below this as there is active hauling happening currently.

Road: Plowed and graded

Additional notes: Don't forget your radio! Tune into RR27 and stay in touch with the logging trucks that you will meet on the road. Find a good spot to pull out of the way for them when they are on their way down.

Gorman Lake

Conditions: Great early season conditions, but watch for rocks still in the talus zone

Grooms scheduled: Friday - and as needed

Fees: \$25

Parking: Parking at the 3k lot

Road: Plowed and in good repair

Silent Pass

Conditions: Great early season conditions!

Grooms scheduled: Thursday - and as needed for the weekend

Fees: \$25

Parking: Parking at the 31k. Please park here, there's lots of room!

Road: Plowed and graded. Not sketchy like last week!

East Quartz

Conditions: No information yet

Grooms scheduled: None

Fees: \$25

Parking: At the 9k mine site as per Quartz

Road: Same as Quartz

Old Man

Conditions: Decent early season

Grooms scheduled: Not yet! But soon.

Fees: No fees

Parking: Parking in the main Quartz lot to access Old Man.

Road: n/a

Westbench Trail

Conditions: No information yet

Grooms scheduled: None

Fees: No fees

Parking: n/a

Road: n/a

Additional notes: West Bench Trail will be discontinuous for the majority of the season while logging is occurring 10km up the Donald FSR. If it becomes continuous, we will do our best to groom it as necessary. Stay tuned for more information.

Grooming Map!

The map below is linked to the safety InReaches we have in our groomers and we have been able to make the tracks public. How to use the map:

Press on the + next to the groomer/zone you want the latest information for. Once the line is visible, press on the line to see the date & time the groomer was last in action.

This map only shows the most recent groom. You can inquire at any of our trailheads for additional grooming information, including number of riders since the last groom.
