

FACE SHOTS ARE BACK

Well, if you haven't been out recently...you've been missing out! The face shots are back and it's staying cool up high! It sure is feeling Spring-ish in town, but boy it's far from finished up in the alpine. We will be continuing to groom until April 10th, so come and get your fix until then!

Don't forget to sign up for the Riley Suhan Invitational which is coming up fast! There are only a few spots left (for real), so register [HERE](#). If you need more info on the race, you can find that on our website.

And last but not least, have you checked out the Adventure Smart Trip Planning Tool? We had some sledders who spent the night out a few weeks back, which is never fun. This is a great tool to help prepare you for the worst situations, which we never expect to happen... but it does! Stay safe out there.
