

SCRATCHERS DOWN, IT'S WARM OUT THERE!

Spring riding is upon us and what a great Spring it's been so far! With a full reset up high and warm temperatures at the staging areas, this might just be our favourite time of year to ride. With limited fresh snow on the trail these days we are getting into the season of overheating and potential loss of a lug or two. Check out this video from CKMP on how to preserve your track!

Riley Suhan was out this last week getting ready for the big event next weekend. He's got some sweet moves lined up... Didn't hear about the race? It's not too late. There are 3 spots left. Sign up here! If you're available and interested in volunteering, we have a few spots left for that as well. Fill this form out and we will be in touch shortly! Volunteers will receive a discounted membership for the 2022/23 season as well as some sweet swag and a guaranteed great day!

For more information about the event, have a look at our website.
