

SPRING SNOW TO CLOSE THE SHOW

Thanks to everyone who came out last weekend for the Riley Suhan Invitational! What a fantastic weekend. It was a wild ride getting everything ready in a short period of time this year, but we are looking forward to continuing with events going forward now that we are able! Hope you had a great time, and see you all next year.

Special thanks to all the volunteers, staff and sponsors. We couldn't have done it without you!: SureFuel, Bear and Bone Burger Co, Riderz Edson, GGB Exhaust, 509 Inc, MSD, Cheetah Factory Racing, Mountain Motorsports and GoggleSoc

For anyone interested in the results of the race, check them out here on the Zone4 website!

Things have been changing quickly here in Golden with the recent warm temps and we are slowly shutting down operations a little sooner than expected.

Silent is now shut down for the season and the road is mucky! A warning to anyone venturing that way. We needed to get the groomer out before we couldn't.

As for **Quartz**, it's getting its final groom on Friday (tomorrow), so it should be in decent shape for the weekend! Enjoy it while it lasts!

The **Gorman** road is still in ok shape, but slowly will be turning to rocks and gravel. This will be our final weekend there as well, so go and get it while you can.

Lastly, a huge shout out to Golden and District Search and Rescue for being at the event this past weekend. We appreciate everything you do and are thankful we didn't really need you this year! You guys and gals are awesome. Keep up the good work!
