THAT'S ALL FOLKS

It's been a great season, friends! Thanks for all the support this season. We are excited for the next, but it seems time to dust off the Summer toys and get them primed up for the next few months. We've wrapped up operations at all locations and will be starting to get things ready for next season.

A big Thanks to our Gate Staff and Grooming Staff this season. Everyone worked hard to keep the program running smooth and stepped up when necessary!

Thanks also goes out to all the people who volunteered their time, loading firewood and picking up garbage.

Thank you to all the contractors who serve SledGolden in a variety of different ways. We couldn't do it without you all!

Lastly, thank you to the board of directors, who passionately lead our group.

Help Us Out This Summer

Garbage Picking
We're on the look out for volunteers to help with our summer garbage pick up. It most likely will involve a helicopter ride to a beautiful place…! Please reach out to snowmobile@snowmobilegolden.com if you're interested.

Donations
Have extra cash that you need a tax donation receipt for? Want to make a memorial contribution that others will timelessly enjoy? Just feel like supporting? We are always in need of upgrades and updates to the grooming equipment, so you know it will go to a good cause!
