Yes, it's still too early for us to recommend you come. Yes you can sled from the parking lot at Quartz. Yes, there are open water crossings before the cabin. Yes, you can buy your seasons passes here. Yes, we will be installing new systems at Quartz cabin to get the telemetry station back up and running.

No, we haven't started grooming. No we don't have any info about Silent Pass yet. And No, you shouldn't go into Gorman!

Thanks Sponsors

SledGolden's weekly conditions posts will now be dropping every Thursday until April. We wouldn't be able to do this without the loyal support from our sponsors. We just wanted to say how much we appreciate them and ask that you go out of your way to make sure your dollars are supporting the ones who support us.

Banner Recreation is having an Open House this Saturday in Golden Nov 18, 2023.

SNOW AND WEATHER

It's still what we're calling pre-season out there. There's been approximately 70-90cm of fluff accumulate but there is basically no base.

There's 60-70cms of somewhat compacted snow at Quartz cabin.

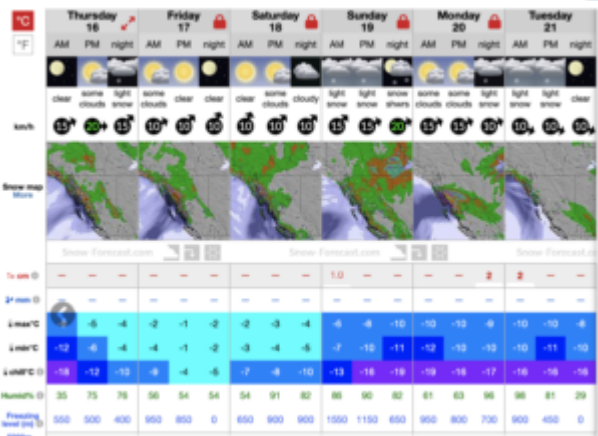

Unfortunately there's not a ton of snow in the forecast so it looks like the holding pattern will continue.
