

HOT SUN

The sun is out and the temps are high this week in Golden. There's some great spring riding to be had but an expected spring avalanche cycle should keep everyone in mellow terrain with NO overhead danger. Avalanche.ca has rated the danger level as high for the weekend. Grooming ops will be affected by these ratings and we can only groom when safe to do so. It's a good time to play it safe and not put yourself in big paths or danger.

And in other big news the Riley Suhan Invitation Race is ON! Mark April 6 on your calendars and sign up soon if you want to guarantee a spot!

SNOW AND WEATHER

We've had 20-30 cms of new snow in the past week. The weekend will be hot and sunny but it looks like things will cool down next week and more snow is expected. There's currently 26 cms in the 6 day forecast.
