

SNOW AND COLD

Winter is swinging back this week in Golden BC with heavy snow and cooler temps. There's approx 10 cms in the forecast and temps in the minus double digits. In other words, it's time to get it good in a winter/spring blast! Avalanche danger ratings are forecasted to decrease from considerable to moderate on Thursday. Grooming operations continue to operate as planned. The days are getting longer and this could be an epic weekend.

And in other big news the Riley Suhan Invitation Race is ON! Mark April 6 on your calendars and sign up soon if you want to guarantee a spot!

******Accommodations:** The Ramada in Golden is offering a rate of \$109+taxes / night on Friday April 5 and Saturday April 6. Call the Ramada to book before March 22 to get this rate. Just say you're coming to the Riley Suhan Backcountry Race and they'll hook you up.***

Snow & Weather

SNOW AND WEATHER

It's pretty good out there right now with a bunch of fresh lingering from past storms. There hasn't been a lot of snow from the past week but the big avalanche warnings kept a lot of people away. There's quite a bit of snow forecast for the next week and with colder temps, it looks like old man winter is coming back for another week.
